

INDEPENDENT AUDITOR'S REPORT

To users of the financial statements of
CO «CF «STABILIZATION SUPPORT SERVICES»

Opinion

Under the Contract № 15-2023-A dated 20.10.2023 we, the independent audit firm LLC "Audit company «UHY PROSTIR», have audited the financial statements of Charity Organization «Charitable Foundation «STABILIZATION SUPPORT SERVICES» («the Organization»), which comprise the Balance Sheet as at December 31, 2022 and the Profit and Loss Statement for the year then ended.

In our opinion, the accompanying financial statements of the Organization are prepared, in all material respects, in accordance with Ukrainian National Accounting Standards.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Ukraine, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Matter

On February 24, 2022 the Russian Federation carried out a full-scale invasion of Ukraine. On the same day, in connection with the military aggression of the Russian Federation against Ukraine (hereinafter - military aggression) by Decree of the President of Ukraine № 64/2022 on our territory martial law was imposed from 05 hours 30 minutes on February 24, 2022, which is valid repeatedly continued and which is currently in force.

The extent of the impact of military aggression on the Organization operational and financial performance will depend on future developments, including the duration, spread and intensity of the warfare, all of which are uncertain and difficult to predict considering the rapidly evolving situation. However, if intense hostilities spread to other parts of Ukraine or in case the war with the Russian Federation continues for long, it could have a significant negative impact of it on the financial results and liquidity of the Organization, the stability and structure of its operations with counterparties.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of the financial statements in accordance with Ukrainian National Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
